Salvatore Orlando joined Ughi e Nunziante in 2019 after working as partner and of counsel at Macchi di Cellere e Gangemi. He is full professor of private law at the University La Sapienza in Rome and

was admitted to practice before the Supreme Court in 2009. He has gained a significant experience in litigation and arbitration, contract law and IT law.

After graduating at the Luiss Guido Carli University in 1993, Salvatore Orlando obtained his PhD (in Private Law, Corporate Contracts, IX edition at the University Federico II in Naples). He was researcher in Private Law at the University La Sapienza in Rome from 1999 to 2002, and then received a scholarship for university researchers from the European Commission at the Humboldt Universitaet in Berlin, Germany (2000). He was an associate professor of Private Law at the University La Sapienza in Rome, Faculty of Economics, Department of Law and Economics for productive activities. Here, he became full professor of Private Law in 2019.

Professor Orlando has considerable expertise in legal matters concerning IT law. He is head of the Juridical Observatory on Digital Innovation (JODI) at the Department of Law and Economic Activities at the Rome University La Sapienza (Faculty of Economics).

His publications focus mostly on contract law and IT law.

He is a regular contributor for the Italian jurisdiction of the column European National News of Computer Law and Security Review, an international journal of technology law and practice, and the coordinator of the column Diritto e nuove tecnologie of the Italian legal review Persona e mercato. Salvatore is fluent in Italian and English.
